Buckmore Park operates a very strict alcohol and drugs policy. In the interests of safety, neither will be tolerated. If they have any doubt whatsoever about a driver's ability to drive, or if they suspect that he or she may be under the influence of either drink or drugs, we will not permit that person to drive

Remember: 12 hours must have elapsed between your last drink and your arrival at Buckmore Park.

Note: We do not refund/rebook or otherwise waive any fees paid or due in the event that they disqualify a driver for suspicion of drink or drug use. The race director's decision is final and non-negotiable.

If we do provide a licensed bar as part of the planned activity, the bar will not open for business until completion of all on-track activity for the drivers.

Cameras can be mounted on the vehicles if the driver wishes but they can only be fitted using the mounts provided by Buckmore Park. The Park does not accept liability for the loss or damage of your personal equipment.
